Friday Notes

★ After the tragedy that took place at a Minneapolis school this past Wednesday, the staff was discussing our school's safety. While we realize that we cannot possibly prepare for every scenario, we will be making one change. We always keep the school doors locked after all of the children have arrived. However, if there is anyone who is late, we generally leave one door unlocked so that they can get in while we are in the church for devotion. While we encourage all of our students to be at school well before 8:00, we do understand that there are sometimes factors that are out of parents' control like traffic or weather. However, out of utmost caution, we are now going to lock all of the doors when we go into the church for devotion. If your child is not at school before 8:00, we ask that you please wait with them until we return to the classrooms, which is usually about 8:10.

★ We are working on details for taking school pictures. Please stay tuned!

★ Each year we begin the Friday memory work by memorizing the books of the Bible. Pastor Hein has them recorded in a youtube video which may be helpful in memorizing them. You can find both the Old and New Testament at the following links:
